GENERAL PUBLIC

Scott Kriner asked if there was any progress with handicap access to the Rail Trail. Berry informed him that the Boy Scouts will be working on this as an Eagle Scout project this year. The access should be near Colemanville.

Larry Frankford informed the Residents that the Volunteer Fire Department is in extreme need of Volunteer help. It would take at least 5 people to get a truck out to a call in the day and the Department is in need of Volunteers who are interested in not only becoming a Fire Fighter but also being drivers and support people to help out the Fire Fighters outside while they are inside fighting fires. PLEASE come out and support our Fire Department, every little bit helps our Community and the Volunteers that we appreciate so much!
