- In the event that the balance of the Escrow Fund is insufficient at any time to pay such costs, the Township shall bill the applicant/developer for the actual or anticipated additional costs.
- In the event the Escrow Fund is in excess of the Townships costs, the Township shall refund such excess monies, without interest, to the applicant/developer upon completion for the development of the property.

Utility Connections

On-lot System

\$90.00

On-lot Report

\$25.00 plus actual costs for violations

Appeal of Sewer Ordinance

\$150.00

FEE BASIS

The following rates represent a "task-value" fee basis. Kraft Engineering invoices for services based on the value to the client for the specific task performed. The charge rates shown below are all-inclusive incorporating all overhead, profit and expenses.

<u>SERVICE TASK</u>	<u>FEE BASIS</u>
Professional Engineer (Project Management, Design, Planning, Professional Services)	\$112.00 / hour
Technician (Design Drafting, Construction Observation, Code Services)	\$80.00 / hour
Support (Clerical, Support Services)	\$34.00 / hour

The above fees are effective for the calendar year of 2020.

Out-of-pocket expenses such as mileage, standard postage, routine copying and telephone charges are incidental to the charge rates noted above. Expenses for outside services such as blueprinting, bulk copying and special delivery postage will be billed at the invoiced rate from the supplier.

Subconsulting services provided in support of Kraft Engineering project efforts may be invoiced at cost plus five percent (5%).
