

2022 Budget Meeting Minutes

August 30th 2021

Meeting began at 7:30am, persons present; John Berry, Naomi Little, Terry Shepps, Michelle Lownsberry, attendance sheet attached.

Discussion occurred on each line item of the General, Recreational, and State budget. The budget from the past and current year was compared to help indicate the future year's budget.

A line item was added for the new Covid Grant.

The line item for laser phish was removed. The Township will be using its own in house system for electronic records retention, which will be more cost efficient.

A separate line item was added for the Fire Relief transfer allocation.

A line item was added to the Recreation fund for the pool's CPO service fees.

The proposed budget was balanced and prepared to go to the September BOS meeting for review and motion to advertise.

Meeting adjourned at 8:25am.

Respectfully Submitted by,

Naomi Little

Conestoga Township Secretary
