

Conestoga Township Planning Commission Minutes: October 28, 2024

Present: Ron Wagner (by telephone), Dan Alexander, Wes Bruckno, John Stipe

Call to Order: 7:00 pm

Old Business:

Approve minutes from **August 26, 2024:**

Motion by Dan, seconded by Scott, approved 4-0-0

New Business:

Codification of Township Ordinances:

The Planning Commission was asked to comment on the proposed codification of the Township Code (i.e., a complete text and digital codification of the Township's codes and ordinances, including the Zoning Ordinance and Subdivision and Land Development Ordinance). The codification included some corrections and revisions to the Zoning Ordinance and Subdivision and Land Development Ordinance, which appear to be appropriate. However, the Planning Commission thinks that some of the regulations in the proposed codification do not appear to be tailored for Conestoga Township, and we need more information about why the codification of all the Township's ordinances is necessary.

Motion by Wes, seconded by Dan:

The PC is not able to make a recommendation regarding the codification, and we need more information.

No discussion.

Motion approved 4-0-0

Meeting adjourned 7:45 PM.
